Blanket Exercise – Saturday, March 10th. Shepherd of The Hills Lutheran Church 3:00 – 5:00pm

The blanket exercise is a workshop that explores the nation-to-nation relationship between indigenous peoples in Canada. Blankets arranged on the floor represent land and participants are invited to step into the roles of First Nation, Inuit, and later Metis peoples. The workshop helps us understand how the colonization of this land impacts those who were here long before settlers arrived. It engages our minds and hearts in understanding why the relationship between indigenous and non-indigenous peoples is often broken, and how we can take action together.

This exercise will be guided by a trained facilitator as well.
Indigenous Bishop of the Anglican Church.
