Minister's Message

Celebrating the life of a loved one is an important time of transition for families and friends. It is a great honour and privilege for the church to be invited by a family to participate in this journey. To support and provide care to the individual and the family before, during, and after a loved one dies. It is our hope that through ritual we can honour our grief while giving thanks for the life of a loved one, drawing on our Christian heritage to proclaim a message of hope and new life.
